Subject: Agency Representative - Mediation (Rick Liles)

To whom it may concern,

Please be advised Howard County CED Rick Liles was trained and is authorized to act as Agency Representative in FSA mediation cases.

Mr. Liles has proven more than adequate as an agency representative. Geographic area represented by Mr. Liles is vast. Circumstances resulted in lack of available agency representatives in Mr. Liles' area. I have, and will continue to rely heavily on Mr. Liles as an agency representative.
